### *From Your Roots To the Wind* Environmental Storytelling

- Are you an environmental educator, a teacher, parent or storyteller?
- You know how to source information, but can you feel the connection that is needed to share an environmental story with the right intention?
- Let us tap into your ancient storyteller through some creative exercises you can use on your journey.
- Create new stories for telling and find effective stories from a variety of sources.

**Workshop leader:** Eve Hofstetter's passion is to inspire young and old with stories that create reverence to Nature and its gifts. Eve offers workshops with children and adult storytellers, educators, parents, community groups and facilitates a Storytelling Circle in Far South NSW.

**COST:** \$35 or \$25 for members, pensioners and students. Come for the whole day or just the workshop.
